Mystic Rod Life-Time Warranty Policy

All Mystic rods are covered by a lifetime warranty, for the original owner. This includes defects caused by craftsmanship or faulty materials for the life of the rod. All Mystic rods that are sold must be registered in order to register a claim. Please register your Mystic rod either through our web site or by returning the attached Registration Card. Any rod that you feel is defective should be returned, at your expense, to our Mystic Headquarters. Upon careful examination, by our warranty return center, any rod found to be defective will be repaired or replaced. As each rod section is custom fit, it is necessary to return all sections for warranty consideration. Our commitment at Mystic is to repair or replace your rod and get you back on the water as soon as we possibly can. There is a nominal handling charge of \$50.00 USD (local currency equivalent applies) payable by check, money order or credit card.

You are not authorized to make repairs or replacements under this warranty, without written authorization of Mystic Rods.

Mystic No-Fault Accidental Breakage Policy

Mystic reserves the right to repair or replace any Mystic Product covered by this warranty and the right to replace any discontinued models with comparable models when necessary. Colors and components may vary between original and replacement parts.

This Warranty Policy does not cover:

1. Damage caused by misuse, neglect or normal wear
2. Consequential or incidental damages such as loss of fishing equipment or rod sections.
